ABOUT US

Golden Dove General Trading L.LC HACCP certified was started in 2008 and founded by Mr.FahemLassad as managing director. Golden Dove General Trading L.LC is a leading global company specializing in the sourcing, processing and packaging of fruits and vegetables. Organize from seed through packaged products and with a focus on strategically significant vertically integrated business models, we can provide the best quality and value. The Company's technical specialist focus on value-added grains, vegetables and fruit based product offerings, supported by a global infrastructure. Golden Dove General Trading L.LC can procure quality fruits and vegetables at the farm level, cheaper than other exporters, efficiently process them, properly package them and ship them to the customers.

Through years of experience, research and development Golden Dove has exported and imported products that meet the stringent requirements of today's International industry. We have earned a reputation for excellence by creating products of superior value and quality, providing personalized customer service and emphasizing on-time deliveries. Our success has always been the direct result of our Quality and following of International standards of health and handling products. we are committed to customer support. Our extensively trained staff is knowledgeable in all aspects of products and their applications and provides personal attention to every customer.

Commitment to Quality We recognize that "our customers make us successful" and they have a choice of many suppliers when selecting same category of products we export. Since many companies have access to the same quality and kind for these products, we believe that a customer's purchase decision is heavily influenced by the following key factors:

- Trust in the Service or Product Suppliers
- Confidence in the Quality Assurance of the manufacturer
- Proven Industry Experience
- Features and benefits of the product
- Delivery
- Customer Service
- Cost of Ownership

VISION STATEMENT

Golden Dove General Trading L.LC is committed to be a global leader in natural and organic food products driven by a spirit of nonstop improvement and category expertise that enables the well-being of our employees, customers, consumers and other stakeholders.

MISSION STATEMENT:

Golden Dove General Trading L.LC will be a standard global leader in natural and organic food products that drive sustainable well-being.
